Dear Sir or Madam

CeBIT 2016 opens in just a few days! And starting today our **Switzerland CeBIT App** is available for you.

The app contains full information about Switzerland's presence as CeBIT Partner Country 2016!

- Information about partner country events (description, date, location)
- Overview of all Swiss exhibitors and a booth plan of the Partner Country SWISS Pavilion in Hall 6, booth D30
- Overview of Swiss speakers at the [SWISS Pavilion Arena](#), the [CeBIT Global Conferences](#) and [future talk](#)
- Networking opportunities with other business contacts
- Photo and text feeds
- Agenda including your personalised agenda
- Overview of partners and sponsors
